

# Lincolnshire Parent Carer Council

Registered Charity No: 1141060

## Impartiality Statement

Lincolnshire Parent Carer Council (LPCC) upholds the trust and confidence placed in its organisation and in individual members by being impartial.

The Parent Carer Council demonstrates impartiality by

- Not favouring any single party or organisation
- Representing the views of parents/carers of children with disabilities (disability as defined under Disability Discrimination Act)
- Reflecting the perspectives and wishes of parents/carers
- Being seen not to have a vested interest in promoting the interests of an individual support group

Ensuring that members of LPCC who attend decision making meetings are clear that their role is:

- to represent the views of members of LPCC but when expertise in a specific disability is required to use this appropriately
- to contribute to discussions on strategic issues
- to participate in making decisions
- to participate in decisions but make no decisions on behalf of LPCC without taking it back to the Trustees.
