

Lincolnshire Parent Carer Forum

LPCF Lottery Club

Fancy a chance of winning one of the following prizes for only £1 per week:-

1st prize = £50 * **2nd prize = £10** * **3rd prize = £5**

We, at Lincolnshire Parent Carer Forum are continually looking at new ways of fundraising to support the work that we do to help families with children with disabilities and Special Educational Needs. We have set up a lottery club to achieve this and at the same time, this will give our supporters a chance to win some money too!!

Funds are payable in advance for the following 3, 6 or 12 months. Each member has a personal membership number and every month a draw will take place. The more members that join, the better the prizes. You can purchase more than one number too!

As soon as you join we will contact you with your allocated membership number(s). If you know of any friends or relatives who would also wish to join, please complete and return the details below or email us with the information:-
