

Linkage Sensory Library Stock List

This is a list of the items in the library that you are able to borrow. This is a free service and allows a loan period of 6 weeks from drop off. We ask that at the end of the 6 weeks loan, you complete an evaluation form (we can provide it via email or as a paper copy). This information becomes part of our reporting to the National Lottery who kindly fund this project. The information we give them does not identify anyone.

Because Sensory equipment can be expensive, many of the people who have borrowed from the library have found it really useful to be able to try things out to see if they work for them rather than risk wasting money on something that might not work. You are welcome to borrow more than once, so that you can try a range of things to find out what is effective for you or the person you care for.

We will arrange drop off and collection of the items at a place that is suitable for you- be this a school, care setting or private address. We ask that no more than 5 items are requested at the same time, this enables there to be plenty of stock for others wishing to use this service.

You can contact us on Outreach@linkage.org.uk

Many thanks for coming to use our library service!

- 7kg
- 8kg

Lap pad with fidgets-For use in the day time

Proprioceptive Sense

Bear Hugs- Small, Medium, Large, Extra Large. These wrap around the body like a waistcoat to provide that feeling of being hugged. Their aim is to reduce anxiety.

Body Sock- Medium and Extra Large. These are used to create resistance to the child moving around.

Compressions sheets for a Single Bed, these are wrapped under the mattress and then over the child to give that feeling of being grounded.

Smell

Tisserand Cold Air Diffusers and Filters- these can then be scented with essential oils to suit your needs. The filters do not need to be returned with the unit.

Dark Dens and Tents

Aero-blocks Den- this needs to be blown up and then fixed together to create a safe space.

Dark dens- Giant, Hexagon, Standard. These come in varying sizes, so please let us know the space that you have available when contacting us.

Pop Up Tents- Large, Space, Butterfly.

Projection Drape- this can be used with a projector to create a flexible space.
